Dear Sir or Madam,

Works Notification - Northfield Avenue; Devonshire Road to Bramley Road - Footway repave works

Following previous consultation, Ealing Council is proceeding to implement improvement works in the location mentioned above.

These works on Northfield Avenue include the following;

- Replacing the existing modular paving with ASP paving slabs and kerbs between Devonshire Road to Bramley Road.

The works will be undertaken by the council's term highways contractor Murrill Construction Ltd. The works will start on **17th June 2013** and will be substantially completed in seven weeks - barring unforeseen circumstances. Signing and barriers will be in place during the construction works.

Whilst we will try to minimise any disturbance, we believe that any short-term inconvenience will be outweighed by the long-term improvements to the area. Therefore, may I take this opportunity to apologise in advance for any disruption and thank you for your co-operation.

If you have any specific access needs then please do not hesitate to contact me so that I can ensure that the Contractor takes these into account. Similarly, I will be happy to seek to clarify any concerns you may have about the details of the scheme.

Please do not hesitate to contact me if you have any queries.

Yours faithfully,
Callum Donald
Project Engineer
London Borough Ealing - Highways

M Murrill Construction Limited
